February 2026 PRESIDENT'S MESSAGE

We were very fortunate to host a presentation by Dr. Brenda Mills on the Care of the Aging Performance Dog.

Four Main Takeaways

Weight control
Gut care
Core strength
Nail care

If you were unable to attend and would like a copy of her slide presentation, let me know and I will send it to you. Dr. Mills only asks that if you quote her or forward her slides, acknowledge her as the author.

I have heard her presentation twice and both times I learned something new to care for my dogs at all ages. My dogs think I have lost my mind working on their core strength by curb walking – we always walk on the sidewalk not in the road.

I encourage our members to attend these meetings when we bring in a speaker with professional experience to share. It is a great opportunity to get your questions answered from knowledgeable professionals. If you have trouble connecting via Zoom, let us know and we will help!

If you have questions on this presentation, send them to me and I will put all our questions together and Dr. Mills will answer them for us.

The February Blast from the Past of MBDTC

This picture is from a MBDTC trial. I do not know the date. Check out the height this dog is jumping, 34"! In the 1930s, originally all dogs jumped a standard 42". Standards changed from requiring jumps at 1.5 times the dog's height at the withers to 1.25 times. Today there are breed specific exceptions, but generally the jump height is set equal to the dog's height at the withers, rounded to the nearest 2 inches.

Hug your dogs and cherish every minute you are privileged to have them with you!

Terri Gregson, President

Monterey Bay Dog Training Club, Inc.

Our guest speaker will be Jill Kessler-Miller, M.S., CPDT-KA
Expert Witness in Dogs

Jill has trained, handled, and titled in Conformation, Obedience, Schutzhund, Agility, Rally, Barnhunt, Scentwork, and Nose work. She is an AKC Scentwork Judge and is knowledgeable in dog behavior, animal rescue work, dog aggression, and other animal related topics.

New Location for April Scent Work Trial

Due unforeseen circumstances at the Watsonville Elks, we are unable to return there for the April Scent Work Trial. The trial has been moved to the Santa Cruz Elks Lodge on Jewel Street in Santa Cruz.

With four judges and offering all four classes over two days, we need volunteers. Spots are open for timers and stewards.

That's April 25 - 26.

To volunteer, send an email to Michael Bashista at michael@bashista.com

Ruff Notes Beginnings

From Terri Gregson

Where did Ruff Notes and Ruff himself come from?

I asked founder Luane Vidak.

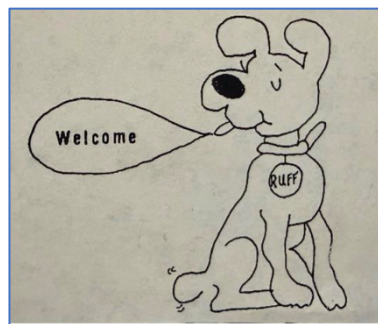

"Ruff came from a newspaper service my dad used for making his weekly ads for BiRite markets in Watsonville. He got a type set of the original for us from the newspaper which I still have."

Nancy Lewis named the image Ruff and called the newsletter Ruff Notes. She was the first editor.

Dale Kodis took on Ruff Notes next.

Most editors took on the job for years long.

Ruff was hand copied for a long time causing minor deviations. His Collar Tag with his initial was added later. Once computers came along the image was finalized as we use it today.

The image was Registered in the club's name protecting it from use by others and should be marked by the Registered symbol. (First time I've seen it marked was on auction tags at this yr's awards luncheon that Candice prepared.)

From Linda Coleman: The Ruff trademark application was submitted on 8/2/2019 and registration completed on 2/25/2020. #88565006

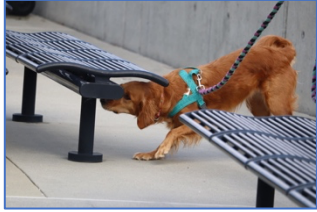

We submitted the 5-year declaration of use on 2/25/2025 which was accepted on 6/9/2025.

BRAGS and CONGRATULATIONS!

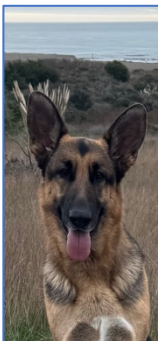

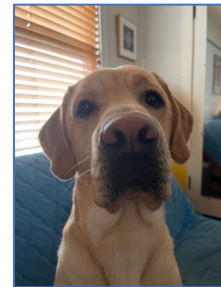

2026 is off to a great start. On Jan 1, the girls and I headed to York school for a scent work trial put on by our very amazing local club, Monterey Bay Area SWC. A well-run trial, as always. Thank you. Soleil came away with a detective Q and Rhyme earned 3 out of 4 Qs and finished her Excellent Buried Elite title and sniffed her way to 1st place in Excellent Exterior.

Then Jan 2, Soleil had her "official" debut in a new game for us at another local club that also has friendly well-run trials. Barn Hunt. In true Soleil fashion, she knocked it out of the park with a 12 second novice run and another run that would have been just as fast, if only her handler had called RAT when she first alerted. But it was still good enough for a shiny new title, 2 placements and High in Class overall..... (Michelle Pressel)

Trane completed his NACSW ORT (Odor Recognition Test) on January 19th at the CalCoastal Dog ORT Test in Corralitos..... (Marion & Michael Bashista)

Jewel earned her ORT on Jan 19..... (Laureen Yungmeyer)

Eddie was entered in the NACSW Odor Recognition Test in Corralitos on Jan. 19 and passed all 3 odors!!!..... (Linda Lang)

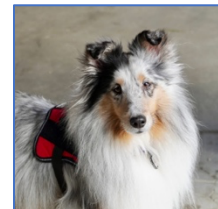

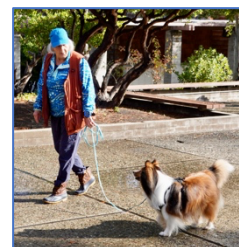

More **BRAGS** and **CONGRATULATIONS!**

Lacie and I completed our overall Excellent AKC scent work title with our 3rd Q in Excellent Interiors. We also got a 2nd Excellent Handler Discrimination Q on New Years Day at York School at MBASWC trial. On to Masters level! So, we completed my goal of getting Our Rally Advanced title and Excellent scent work titles.
..... (Reena Walton)

At the MBASWC New Year's trial at York School, Holly earned 4 Qs total. She competed in Advanced Interior and Exterior, qualifying in both, and Q'd in Excellent Container and Exterior, with NQs in the other 3 elements. Overall, the results were not as good as I had hoped, mainly due to the handler, but I was pleased with the way Holly was thorough and methodical in her searches. Holly is 1 Interior Q short of her overall Excellent title, and 2 Qs shy of an overall Advanced Elite title. (Denise Weatherwax)

Qt finished novice containers and got an advanced exterior leg at the Biewer Terrier trial. He also earned 2 premier JWW legs the same weekend.

Booyah got his 1st advanced interior leg and his first Excellent JWW leg
..... (Pam Fugitt-Hetrick)

Frannie passed Clove at the NACSW ORT last week!..... (Wendy Hess)

At the Santa Clara Dog Training Club trial, Finn earned his second UDX leg!.....
(Barbara Skaggs)
