PRESIDENT'S MESSAGE

The year is just flying by. I can't believe we are completing another year as Board members for Monterey Bay Dog Training Club, Inc. I can't thank all of the Board enough for staying the course through the most difficult times the club has had to endure. Now we are ready to welcome in the 21-22 Board, after the general meeting vote. We are excited to welcome Donna Gorman back, this time as recording secretary. Unfortunately, we have not had a volunteer step forward as the corresponding secretary. You could be the one to help us move into the post-pandemic era. Please think about it. We will welcome you with open hearts and helpful hands.

A huge thank you goes out to Michael and Marion Bashista along with Linda Lang, Dale Noble, and Pam Fugitt-Hetrick who were the workforce for our successful agility trial last month. Hopefully we will be able to hold the trial next year back in Scotts Valley and you can come out and participate.

We just did not have enough notice to pull together a group to participate in the Aptos July 4th Parade. We are sorry to miss the fun times the parade provides. Next year we will be back with a new group of dogs and their handlers.

This month we host our Obedience/Rally trial. Remember to get your donations together for the Raffle. Even if you can't attend the trial, you can purchase raffle tickets to help the cause. Just let us know you are interested and we will make it happen!

Remember to stay close to your dogs this July 4th. People have been on lock down for so long, I am afraid how they will release the tension this holiday. Stay Safe and Healthy

Terri Gregson
President

HOT TIME at the Agility Trial

from Michael Bashista, Matches & Trials Director

Due to our usual location, SkyPark, being unavailable, our trial was in San Martin at Thorson Arena. Although the arena is covered, the temperatures were in the 90's. Lots of great courses (designed by judge Darryl Warren), and friends not seen since before Covid.

Marion Bashista returned as Chair. Great club member support from Pam Hetrick, Dale Noble, Linda Lang, and Terri and Garth Gregson.

The event really would not happen without many of the exhibitors volunteering for key positions for the event to run smoothly. Discount coupons to our next trial are given to volunteers working an entire class.

Secretary Lori Abbot's years of experience makes for a smooth-running trial. She also provides the course builders and this year, someone to tow the club's equipment trailer.

There may be some changes to next year's trials, but for now, take pride in having provided an event dog owners and all the dogs enjoyed.

Thank You Capitola Clean Up Crew

from Linda Lang, Training Director

Getting classes back open has had many challenges, and one in particular is at our Capitola location. Because the Senior Center had not reopened yet we were left without the janitor who cleans up after we leave, so we had to find someone who would be willing to stay until all the tables and chairs were put back, and the floors dry mopped and then wet mopped. Thankfully 3 of our members who are actually in the first class of the night have been staying and doing the cleanup. It does not take long at all with 2 or 3 helping, and I want to thank Irene Fukutome, Janet Wolverton and Stewart Gibson for their dedication and commitment until we are able to get a janitor again.

Monday Tracking Group

from Candice McLaren

On Monday June 7th our Tracking Group had a new dog join us. Berkeley an Airedale Terrier handled by Chris Hyde started for the first time. It was fun watching him sniff the ground and follow the scent of treats placed at every footfall. After 2 years of tracking, we have forgotten how we all started (one step at a time!) and its fun to see him progress every week. He joins Chris' other dog Stanley who is now a pro and has taken a title.
